Review of articles for the scientific Journals: *child and youth care Forum; International Journal of Child, Youth and Family Studies; Children and Youth Services Review*.

Fellowships

- Had been awarded a fellowship grant from *The Brookdale International Fellowship Program* for a professional study visit of three month to the USA, in 1996. The fellowship was allowed for studying the United States education and welfare system with a special focus on rehabilitation programs for youth at risk.
- Recieved a grant from the Peretz Naftali foundation for promoting dialogues between Israeli and German professionals. This led to the organization of joint meetings and seminars between German and Israeli social educators in 2007 and 2008 that were the basis for the publication of a book I edited in 2009.

Publications
